

# Mobile Talk-to-Text

Make documentation easy on-the-go with talk-to-text activity tracking

## TALK-TO-TEXT IN 4 STEPS

1. From an event, select the 3 dots.
2. Select Complete.
3. Click into "Call/Visit Notes".
4. From your mobile keyboard, select the microphone and begin talk-to-text note capturing.

**Enable Dictation Settings to Use This Feature:**
