

# Searching Contacts

There are multiple options to locate a contact your agency is working with in PlayMaker.

## **Find A Contact**

- From the main navigation, navigate to *Contacts > Find a Contact*
- Contacts can be searched by Name, City, State, or Zip Code and limited by contact owner
- When choosing the contact owner, or manager, you can select any individual employee, including yourself, or "All Employees"

## **Search Contacts from Contacts View**

The *Search Contacts* function is located on the left side of the page on the main Contacts view. You may search on any information within accounts in PlayMaker by selecting the appropriate "Search On" field. For more information on this functionality, [click here](#).
